Hero of the Day, Inc is a grassroots non-profit dedicated to raising funds for HIV/AIDS related services and to fostering awareness and education about the growing HIV/AIDS pandemic through bicycling events, training rides and associated activities. From September 15th-17th, 2006 HERO OF THE DAY launches it's second major event, a 250-mile cycling journey from Warrenton, North Carolina to Washington, DC that aims to raise \$100,000 for the Warren Family Institute, Whitman-Walker Clinic, and Us Helping Us. 100% of the funds raised and donated by event participants goes directly to the supported charities, while ride expenses are provided by at-large donations, corporate sponsors and participant registration fees.
